NanoDays Event!**

Saint Louis Science Center  
March 29-April 6, 2008

MARCH 29 - APRIL 6, 2008

NanoDays 2008 is a weeklong festival designed to raise public awareness of nanotechnology and nanoscale science & engineering. As many as 100 science centers around the country are holding NanoDays events. NanoDays is part of an important National Science Foundation-funded initiative, the *Nanotechnology Informal Science Education Network* or NISEnet. The Saint Louis Science Center is a partner in the NISEnet.

During NanoDays, the Science Center plans to showcase the following:

- An all-new **NANO** Amazing Science Demonstration
- A moveable feast of **NANO** hands-on activities
- New interactives at Cyberville's **NANO** Center
- *Nanoquest* gaming challenge at the Cyberville LAN
- AND...
- on April 4<sup>th</sup> and 5<sup>th</sup> – two special days featuring exhibitors, hands-on activities, NANO movies, **NANO** presenters. Hear about *NANO* from our local scientists!

**Please pass the word!** For April 4<sup>th</sup> and 5<sup>th</sup>, we're looking for undergraduate and graduate students, faculty, research organizations, citizen groups, companies and members of the Missouri NANO Alliance to showcase all the NANO research happening in Missouri.

To reserve your table or presentation time on April 4<sup>th</sup> and 5<sup>th</sup>, please contact Chris Roman at 314-289-4476 or [croman@slsc.org](mailto:croman@slsc.org).

## NanoDays 2008 Space Reservation Worksheet

Thank you for joining us at our first NanoDays event. We look forward to working with you on building the success of this program in the years to come.

Exhibitor/Presenter tables for NanoDays 2008 will be set up around Center Stage and in May Hall (lower level). Center Stage has full media capabilities (monitors, audio, large projection screen) for presentations or video. We will have signage advertising NanoDays 2008 throughout the Science Center, in the Center Stage area, and a tabletop sign for your group.

We'd like all exhibitor/presenters to arrive by 9:00 on April 4 and April 5 to set up tables. NanoDays 2008 will end at 3:00 pm each day. We will validate parking tickets and provide a box lunch each day.

Please fill out this form and return it to Chris Roman by 3/28/08. Send by email to [croman@slsc.org](mailto:croman@slsc.org) or fax @ 314-533-8769.

### Description of Your Contribution (hands-on activity/exhibit):

Are you bringing giveaways for science center visitors? If so, what are they?

### Exhibitor or Presenter Information

Name  
Organization Name  
Address

Email  
Phone

Names of all attendees in your group, with titles, and the role they'll play at NanoDays:

Number of vehicles your group will park at the Science Center: \_\_\_\_\_

### Logistics

Please check all the items needed.

Number of Tables (8-foot rectangular):

Number of Chairs:

Electrical outlets needed? Yes \_\_\_\_\_ No \_\_\_\_\_  
Extension cords needed? Yes \_\_\_\_\_ No \_\_\_\_\_
